

QUANTUM

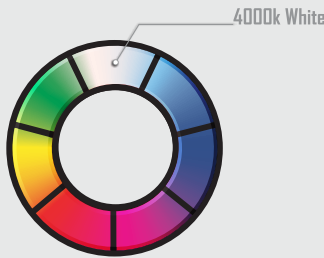

HIGH PERFORMANCE LED NICHE LIGHT

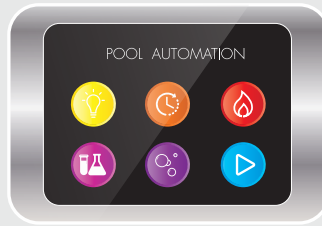

The **QUANTUM** series represents the culmination of over 40 years experience in underwater lighting design. Its robust design is sleek & unobtrusive, with its transparent facade allowing it to seamlessly blend into any pool design.

Featuring a host of technically advanced features, including an external heat sink for maximum cooling and LED longevity, detachable cable for hassle free service and German engineered LED's and optics, for superior light distribution and performance.

The **QUANTUM** Series is designed and manufactured in Australia and backed by Spa Electrics' industry leading customer care network. For more information on the **QUANTUM** Series and our other products, please visit: www.spaelectrics.com
